VCC-01

Dear Danilo Alves-Mendes Freire,

Before your manuscript can be edited for inclusion in LAP, we ask that you not only take into account the recommendations of the editors on the review forms but that you also make the following editorial changes to your manuscript.

Manuscript needs to be placed into LAP style (Style Sheet Included).

Please check all citations in text to make sure they are included in reference section and vice versa. Eliminate all references not cited in text.

Footnotes need to be placed in a Note section that precedes the References

In reference section:

place in LAP style

In-text citations:

place in LAP style

The first time a person is mentioned in text, please include their full name (i.e. President José Sarney, not President Sarney); the first time an organization is mentioned in text, please give the full title on the original language, followed by the English translation and acronym. Thereafter the acronym can be used (i.e. Frente Sandinista de Liberación Nacional (National Liberation Front, or FSLN).

Other: please number the pages

Sincerely,

Fran Chilcote  
Manuscript Editor
