Dear Danilo Alves-Mendes Freire,

Enclosed you will find evaluation of your manuscript # VCC-01, "Beasts of Prey or Rational Animals? Private Governance in Brazil's Jogo do Bicho", submitted for consideration in Latin American Perspectives. At a recent meeting the LAP Coordinating Editors reviewed these evaluations and agreed to possibly publish, pending revisions. If you feel that some of the revisions requested by the reviewers are not necessary or possible, please write a separate document explaining why they are not necessary or possible. If you are able to make the revisions suggested by the editors, we would like you to explain what revisions have been made in a typed cover letter to accompany your revision upon submission. Depending on the extent of revisions, we hope to receive your revised manuscript within thirty to sixty days. Please let us know if this is not sufficient time, and give us a projected completion date.

Please send one electronic copy of your revision to the LAP office, as well as the issue editor.

Enclosed are the LAP style guidelines and artwork submission guidelines which will be helpful to you in making revisions. The style guidelines must be incorporated in your manuscript before it can be accepted.

If you have any questions please feel free to contact the office at the above address.

Sincerely,

A handwritten signature in black ink, appearing to read "Ronald H. Chilcote".
